

**CASA BALAGUER**

# TRAGOLARGO TINTO

**100% MONASTRELL**

**young monastrell  
30% whole bunch**

As the name would suggest Tragolargo (Long Gulp) is a delightfully easy drinking wine. It is an enjoyable young red made from the fresh Monastrell grapes from our Casa Balaguer Estate in Villena, Alicante.

**Winemaking:** Hand harvest followed by a strict selection process. The grapes are then cold soaked for three days. A third of the grapes go through whole bunch carbonic maceration and fermentation. The rest is a conventional maceration and fermentation with skins and seeds for a total of 7 days.

**Tasting Note:** Dark cherry red in color with some violet hues. Forest fruits on the nose such as blackberries and strawberries with some hints of eucalyptus and liquorice. Smooth on the palate with sweet, mature tannins. Balanced acidity and freshness make this an enjoyable easy drinking style.
